I am javad malmir, born in Iran in 1980. Following my personal interests, finished my studies in Arts and started my career with 3D animations. Trended to editing movies and TV series and finished numerous projects and managed to get 2 certificates from the United States of America in Graphics and animation fields. Expanded my career with Directing more than 1200 TV commercials. Currently, I am acting as the commercial project manager and art council in different companies. In the recent years, also received MCITP certificate from Microsoft .
